

COVID-19 Update from the Trustees of Bridlington Christian Fellowship

On Sunday 8th November we will begin to meet together for services once again. This will be at our new venue of New Pasture Lane Community Centre.

This may seem to be a long time away but there is a lot of work that now needs to be done in order to ensure that we are following COVID-19 guidelines and that all the necessary measures to minimise the risk of COVID-19 are in place.

During the next two weeks we will be working on the following priorities: updating the COVID-19 risk assessment document in line with the latest guidance and advice, visiting New Pasture Lane Community Centre to undertake the risk assessment and producing a COVID-19 re-opening information booklet.

We will keep everyone updated on progress and will be providing further information over the coming weeks.

We appreciate that some of you will be unable to attend services or may not feel confident in doing so. We will therefore provide sermons/services as booklets or audio recordings and continue to upload videos to YouTube for those who cannot join with us.

As we look towards re-opening please give thanks to God for His goodness and faithfulness to us. Do pray for the Trustees and others involved in considering the Government guidelines on re-opening and minimising the risk of COVID-19 and working to put in place all the practical arrangements that are required in order to ensure the safety of both the fellowship and the local community.

Above all, as we look forward to this new phase in the life of Bridlington Christian Fellowship remember our verse for the year from 1 Chronicles 16:11: *Look to the Lord and his strength; seek his face always.*
